

Brierley CE (VC) Primary

PE and Sport Grant 2015 - 16 review

The PE and Sport grant is devolved funding from central government. This funding must be used to fund improvements to the provision of PE and sport for the benefit of pupils aged 5 – 11 years old, developing and promoting healthy lifestyles amongst all pupils.

The PE and Sport grant at Brierley for the academic year 2015/16 is £8915.

The money has been targeted in the following ways:

Specific action taken	Impact and review
<p>Enrolment with Team Activ (Barnsley), 'Gold package' to include; Participation in and coordination of various sports' events for pupils throughout the year. Dedicated sports coach to provide specialist provision for all key stage 1 and 2 year groups</p>	<p>36 weeks support for school has been delegated to each cohort to receive sports coaching. This has impacted on all pupils and their teachers by increasing the range of sporting skills and opportunities. As CPD for teaching staff, it has improved and broadened their skill set and raised their confidence in teaching PE. This has positively supported a more sustainable higher quality provision for the future. A number of cross LA sporting competitions has been entered, with some success eg football and cross-country.</p>
<p>Out of school sports clubs for both key stages organised by Miss Cole, currently multi-skills for key stages 1 and 2 and basketball</p>	<p>69 'out of school' club sessions have been delivered for both key stages combined, encouraging pupils to participate in activities beyond the National Curriculum expectation. This has boosted confidence, raised skill levels and promoted more healthy lifestyles.</p>
<p>To provide transport to and from inter-school sports' competitions Miss Cole additional hours – competitions</p>	<p>All children given the opportunity to compete outside school and mix with children from other schools.</p>

<p>A contribution to swimming tuition for Y4 pupils</p>	<p>Fund an additional swimming instructor to reduce the group size and therefore provide a more individualised programme of support.</p> <p>Our 15 week course has increased the numbers of children who can swim. This year out of 32 pupils the following awards were achieved;</p> <p>Confidence x 5 School x 1 Curriculum x 12 Challenge x 10 25 metres x 3 50 metres x 11</p>
<p>To provide extra hours for Miss Cole to develop PE provision in the early years Additional Sports resources</p>	<p>To raise the involvement of Miss Cole in supporting early years' sports (Wed and Friday afternoons). Pupils participate well, are generally more confident and aware of their own body and have competed in cross-school sporting competitions. Additional small apparatus resources have been purchased, eg correct sized balls</p>

Our focus for this current academic year has been to develop a model of quality and sustainable provision both in and beyond national curriculum expectations. This has resulted in increasing opportunities for all age groups and addressing specific areas where the school's provision is less strong eg dance, gymnastic and tennis.

As a 'healthy school' such activities have raised the profile of leading a healthy lifestyle and impacted in other areas of the curriculum eg science and mathematics
